Avenue House Estate Trust manages the houses and gardens for the benefit of all its users.

Cycles

- Please do not cycle in the areas where there are 'no cycling' signs
- Please give priority to pedestrians if you are riding a cycle in other areas
- Please only cycle on the level paths in the permitted areas

Dogs

Please feel free to exercise your dog in the gardens, but we ask that:

- You clean up any mess that your dog makes; we have provided bins at each gate
- You do not take any dogs into the fenced children's play area or onto the lower green; we give priority to children in these areas
- You keep your dog on a short lead when you are on the paths round the lower green and the cafe, so that it cannot access the lower green or interfere with the enjoyment of those using the cafe

Ball games

Please do not use hard balls, such as leather footballs or cricket balls, in the gardens – you could injure people, or damage our trees.

Barbecues

Using a barbecue in the gardens may start a fire – please don't do so.

Plants

Please respect our trees and plants – it costs a lot to keep the gardens at their best for you.
